Agreement With Griffenhagen and Associates

DEPARTMENT OF TRADE AND COMMERCE, OTTAWA, July 21, 1920.

Dear Mr. SUTHERLAND.—At the suggestion of Sir George Foster, who as you know is the Chairman of the Council Subcommittee on Reorganization and Efficiency, I am enclosing copies of correspondence which constitute the agreement entered into between Messrs. Griffenhagen and Associates, Ltd., and the Government for the reorganization work now being carried on in certain departments.

This information will be necessary for you, I think, in connection with your auditing of the monthly fee bills.

Yours faithfully,

C. H. PAYNE, *Private Secretary.*

The Auditor General.

OTTAWA, June 16, 1920.

DEAR SIR,—This letter is written to confirm the understanding reached in our several conferences as to the arrangement under which we have been retained by your committee.

We are to render professional service as efficiency engineers and experts on organization and system in connection with the reorganization of such departments and activities of the Government of Canada as your committee may designate from time to time. We are to furnish the active services of a minimum staff of eleven men, at least seven of whom are to be principals, to give an aggregate of not less than two thousand (2,000) man-hours of service per month, and to place at your disposal the benefit of our experience, our familiarity with the organization and methods of business enterprises and other public bodies, our accumulated data, and the services of the statistical and research staff maintained at our headquarters, all in consideration of a fee of ten thousand ($10,000) dollars per month and travelling and subsistence expenses outside of Ottawa, as hereinafter defined, such fees and expenses to be paid monthly. The expenses referred to above shall mean the actual out-of-pocket expenses of members of the staff exclusively engaged for the time being in the conduct or supervision of the work that may be incurred in travelling to and from their headquarters office and Ottawa, and also the travelling and subsistence costs incurred in the course of the staff's work in departmental offices outside of Ottawa.

We are to furnish additional service and assign staff members in addition to the minimum number as above defined at the rate of four ($4) dollars per man-hour, plus actual travelling expenses and five ($5) dollars per day subsistence expenses.

Your committee is to furnish all necessary office facilities and supplies and such statistical, typing, clerical, and draughting help, as may be agreed between us and your committee to be necessary to record and report our findings and recommendations and conserve the time of our staff, provided, however, that should your committee so desire we are to furnish all or any part of such assistance at actual cost.

We agree to use, as may be practicable, such employees of the Government of Canada as may be detailed and as we may find qualified to assist in the work, and to instruct the employees so assigned in the principles of good organization and system.

We understand that it is the intention of the committee as evidenced by Order in Council P.C. 1238 to carry on the work for a period of not less than twelve months. In any event, it is understood that the termination of the agreement is not to be brought about except by written notice sixty days prior to the contemplated date of termination.

If it be found impracticable on our part to maintain the full staff above mentioned for a fraction of a month at the beginning or terminaion of our service, we are to be compensated for the staff actually engaged upon the basis of the ratio of the number of hours of service rendered by the portion of the staff so engaged to the total number of hours stipulated as the minimum to be rendered for the full monthly fee.

Yours faithfully,

GRIFFENHAGEN & ASSOCIATES, LTD.,
by *President and Director.*

The Right Honourable Sir George E. Foster, Chairman,
Council Subcommittee on Reorganization and Efficiency,
Ottawa, Ontario.

Department of Trade and Commerce,

Minister's Office, Ottawa, July 16, 1920.

Dear Sirs,—I have your letter of the 16th June, being an undertaking on your part to perform certain professional services as efficiency engineers and experts on organization and system in connection with the reorganization of certain Departments and activities of the Government of Canada.

The letter correctly sets forth the character of the services that you are to render and the remuneration which is to be paid therefor. It is understood that with respect to the item of $5 per day subsistence allowance, care shall be taken to prevent duplication thereof in the case of men who are employed at different points so as to prevent their drawing subsistence allowance at both places.

On behalf of the Council Committee on Reorganization and Efficiency, I accept the offer of services to be performed in accordance with the terms and conditions set out in your letter and authorize your company to proceed therewith.

Yours very truly,

GEORGE E. FOSTER.

Messrs. Griffenhagen & Associates, Limited,
Bank Street Chambers, Ottawa.

Audit Office, Ottawa, July 24, 1920.

Dear Mr. Payne,—Referring to your letter of the 21st instant enclosing copy of a letter from Griffenhagen and Associates addressed to the Right Honourable Sir George Foster, Chairman, Council Subcommittee on Reorganization and Efficiency, in which Mr. Griffenhagen states the terms under which his company agrees to "render professional service as efficiency engineers and experts on organization and system in connection with the reorganization of such departments and activities of the Government of Canada as your Committee may designate from time to time," will you please let me know the Department through which claims for payments in connection with Mr. Griffenhagen's service will reach this office.

The proper officers of the Department administering the money appropriated by Parliament for the services in question, will I presume, be in a position to give the necessary certificates in respect of the number of men employed and hours of service rendered in respect of each application.

Yours faithfully,

E. D. SUTHERLAND, *A. G.*

C. H. PAYNE, Esq.,
Private Secretary,
Trade and Commerce, Ottawa.

DEPARTMENT OF TRADE AND COMMERCE, OTTAWA, July 26, 1920.

DEAR MR. SUTHERLAND.—In reply to your letter of the 24th relative to the vote of $150,000 to provide for the reorganization of the Departments at Ottawa, an Order in Council is now going through assigning this to the Department of Trade and Commerce.

The accounts in connection therewith will therefore be passed upon and submitted by the accountant of this Department.

Yours faithfully,

C. H. PAYNE, *Private Secretary.*

E. D. SUTHERLAND, Esq.,
Auditor General.

AUDIT OFFICE, OTTAWA, July 31, 1920.

SIR,—I beg to acknowledge the receipt of your application of July 29 last for the issue of cheques to the amount of $485.48, being the total of salaries claimed for six temporary clerks for the month of July, 1920.

These temporary clerks have been employed under an Order in Council dated May 31, 1920, authorizing the engagement of Griffenhagen and Associates for the purpose of reorganizing the Government Departments of the Civil Service on the lines indicated therein.

The pay list giving the names and dates of appointment of the clerks in question is certified by a member of the Griffenhagen Company and approved by C. H. Payne who signs as secretary. I have not been officially notified that Mr. Payne has been authorized to certify to expenditure chargeable to the vote in the Supply Bill, No. 555, of the current fiscal year or that he has been formally appointed Secretary of the Committee of the Cabinet appointed to supervise the work of Griffenhagen and Associates.

I cannot of course accept as carrying with it Departmental responsibility any certificate on claims presented by Griffenhagen and Associates for their services signed by a member of the company only.

The certificate called for by the Audit Act in the cases of all claims involving payment of public money should be given by a responsible officer of the Department entrusted with the administration of the appropriation concerned and who has personal knowledge of the facts to which he certifies.

For the present so as not to delay payment of the salaries asked for, which I believe are justly due, I have certified the pay list sent me, but I hope that before any other claims are sent for payment the points raised will be satisfactorily settled.

I am, sir, your obedient servant,

T. J. CODE, Esq., E. D. SUTHERLAND, *A. G.*
Acting Deputy Minister of Trade and Commerce,
Ottawa.

DEPARTMENT OF TRADE AND COMMERCE, OTTAWA, August 11, 1920.

Dear MR. SUTHERLAND,—This is to certify that Mr. C. H. Payne is acting as Secretary to the Council Subcommittee on Reorganization and Efficiency, and is authorized to certify the pay list for temporary clerks employed by Messrs. Griffenhagen and Associates, Limited, in work now being carried on.

Yours very truly,

E. D. SUTHERLAND, Esq., GEORGE E. FOSTER.
Auditor General.

AUDIT OFFICE, OTTAWA, August 7, 1920.

DEAR SIR,—I should like to draw your attention to a difference between the conditions governing the employment of Griffenhagen and Associates, Limited, as specified in the Order in Council of May 31, 1920, and those in their letter of June 16 to you, setting forth their understanding of the arrangement under which they had been retained by your Committee, and which you accepted in your letter of July 16 in reply.

The last paragraph on page 2 of the Order in Council, May 31, states that the staff which it would be necessary to employ for carrying on the proposed programme of reorganization would be eleven, seven Principal Experts and four Associates, and proceeds to give them assignment to the different branches of reorganization work of the Departments.

For these services Griffenhagen and Associates are to be paid $10,000 a month.

This was one of the conditions, the principal one, under which the contract was to be entered into, and it seems to me it would restrict the number of employees and the amount to be paid for their services.

In Griffenhagen and Associates' letter of June 16, they say after reciting the agreement as given in the Order in Council, "We are to furnish additional service and assign staff members in addition to the minimum number as above defined at the rate of four dollars ($4) per man-hour, plus actual travelling expenses and five dollars ($5) per day subsistence expenses."

There appears to be no restriction to the number of staff they may employ at this rate of pay.

Would it not be well to have a contract entered into, as recommended in the Order in Council of May 31, clearly defining the conditions under which Messrs. Griffenhagen's officials are to operate? In doing so, points not at the moment foreseen would probably arise, which by being clearly understood beforehand would prevent possible misunderstandings and disputes later on.

I have the honour to be, sir,

Your obedient servant,

Sir GEORGE E. FOSTER, G.C.M.G., E. D. SUTHERLAND, *A.G.*
Minister of Trade and Commerce,
Ottawa.

AUDIT OFFICE, OTTAWA, February 9, 1921.

SIR,—With reference to the vouchers recently sent me in support of payments under your letter of credit made to Griffenhagen and Associates during the current fiscal year for professional services " in connection with the organization of departments and activities of the Government of Canada," I notice that the certificate called for by the Consolidated Revenue and Audit Act, Chapter 24, Section 45, R.S.C., is signed by the Minister of Trade and Commerce in his capacity as Chairman of the Subcommittee of Council on Reorganization and Efficiency.

As this section of the Act has been interpreted I am of opinion that the minister, even as chairman of a subcommittee of the Cabinet appointed by the Governor in Council, " to oversee and direct the preparation of the contract and the execution of the work therein provided for " is not an officer within the meaning of the statute. As you are aware the statute provides that the officer under whose special charge the work has been performed is the one held responsible for the accuracy of the certificate.

This officer, it has always been understood, certifies from personal knowledge that the work has been performed as claimed, that is, in the present case, that each employee of the Griffenhagen Company has worked the number of hours claimed in the voucher and that he has kept a check on them every day during the period of the account. A similar personal knowledge is also presupposed in the case of travel and other expenses.

It is scarcely possible that the chairman could have this personal knowledge and I presume his certificate merely indicates his approval in a general way of the company's claim.

Mr. Payne, the minister's private secretary, in a letter dated July 26, 1920, informed me that an Order in Council was then going through assigning the administration of the appropriation for the reorganization of the Departments to the Department of Trade and Commerce so I presume you made provision for the necessary certificates called for by statute.

I shall be obliged if you let me know whether the work of the Griffenhagen Company was performed under the personal charge of an officer of your Department so that I may return the vouchers for his certificate.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A. G.*

F. C. T. O'HARA, Esq.,
Deputy Minster of Trade and Commerce,
Ottawa.

AUDIT OFFICE, OTTAWA, May 3, 1921.

SIR,—I beg to call your attention to my letter of February 9 last with reference to the certificate on the accounts rendered by Griffenhagen and Associates for professional services " in connection with the organization of Departments and activities of the Government of Canada."

So far, I have not received a reply, and as the agreement with Messrs. Griffenhagen lapsed on or about April 4 last I shall be pleased if you will let me know if the supervision of the work done has been such as to enable an officer of your Department

to certify the accounts in the form prescribed by the Consolidated Revenue and Audit Act.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A. G.*

F. C. T. O'HARA, Esq.,
Deputy Minister, Trade and Commerce,
Ottawa.

DEPARTMENT OF TRADE AND COMMERCE, OTTAWA, May 18, 1921.

DEAR SIR,—Replying to your letter of May 3, I beg to state that your letter of February 9 was duly received, having reference to the signing of the certificate by Sir George Foster for work done by Griffenhagen and Associates.

The minister in each instance has endeavoured to satisfy himself that the claim for work done is accurate and correct. If, as you say, he cannot be interpreted as an officer within the statute and thereby authorized to sign the certificate, then the only solution appears to me to countersign the certificates myself, for if the minister is satisfied and in turn satisfies me, then that objection you make would be removed.

May I point out that it is absolutely impossible to give a definite guarantee that the claim for work done has been correctly rendered. With officers working in several different Departments and in outside branches of these Departments, the only way absolutely to check them up would be to have some Governmental officer in charge of such of them as a time-keeper. This appears to be impracticable. The same question arose in connection with the work of Arthur Young & Co., for the Civil Service Commission. It was found impossible to check individually the "man-hours" schedule, but such checks as were carried out verified the accuracy of the accounts submitted. The company for its own purposes must be satisfied that travelling accounts are correct and if the minister is satisfied by the statement of the company on that score, that would seem to furnish the necessary guarantee.

If you could indicate any more feasible way of checking the professional work of men so employed I would be glad to meet your views.

Yours truly,

F. C. T. O'HARA. *Deputy Minister.*

E. D. SUTHERLAND, Esq.,
Auditor General, Ottawa.

AUDIT OFFICE, OTTAWA, June 13, 1921.

DEAR SIR.—As suggested in your letter of May 18, 1921, I beg to return herewith the vouchers sent me in support of payments made Griffenhagen and Associates for services in connection with reorganization and efficiency rendered during the fiscal year ended March 31, 1921, so that you may sign the certificate as to services rendered and price paid called for by the Consolidated Revenue and Audit Act.

I shall be obliged if you will return the vouchers at your early convenience.

Yours truly,

E. D. SUTHERLAND, *A. G.*

MONSIEUR.—La présente lettre a pour objet de confirmer notre entendement commun, résultat de plusieurs conférences à ce sujet, des conditions qui régissent notre engagement par votre comité.

En qualité de spécialistes systématisateurs et d'experts en matière d'organisation, nous sommes tenus de fournir nos services professionnels pour l'exécution de toute réorganisation des départements ou d'autres domaines du service de l'Etat canadien que peut, de temps en temps, décréter votre comité. Il nous faut contribuer à cette tâche les services d'un personnel actif d'au moins onze hommes, dont sept, au minimum doivent être des principaux, fournir un total de pas moins de deux mille (2,000) hommes-heures de service chaque mois, mettre à votre disposition notre expérience, notre familiarité avec l'organisation et les méthodes des entreprises commerciales et autres corps publics, toutes les données que nous avons accumulées et les services du personnel affecté spécialement à notre bureau-chef, au travail de la statistique et des recherches, le tout en retour d'un honoraire de dix mille piastres ($10,000.00) par mois, pour les frais de déplacement et de subsistance à l'extérieur d'Ottawa, ainsi qu'il est spécifié plus loin; ces honoraires et frais doivent être payés tous les mois. Les frais mentionnés plus haut comportent tous déboursés supplémentaires effectués par les membres du personnel qui momentanément se livrent exclusivement à l'exécution ou à la direction du travail que peut entraîner leurs voyages entre le bureau chef et Ottawa; aussi les frais de déplacement de subsistance que nécessite le travail des membres du personnel dans les bureaux ministériels à l'extérieur d'Ottawa.

Nous sommes tenus de fournir tout supplément de service et d'affecter à la tâche des membres du personnel en sus du minimum prescrit plus haut, à raison de quatre piastres ($4.00) de l'homme-heure, plus le coût réel des déplacements et cinq piastres ($5.00) par jour d'indemnité de subsistance.

Votre comité s'engage à fournir toutes les installations et fournitures de bureau qui seront nécessaires ainsi que tous commis aux écritures, commis statisticien, dactylographes et dessinateurs que d'un commun accord nous jugerons nécessaires pour la préparation de nos dossiers et de nos rapports et partant la conservation du temps de

notre personnel: toutefois, il est entendu que si votre comité le désire nous devons nous-mêmes fournir ces aides, en tout ou en partie, contre le remboursement des frais réels subis à cette fin.

Nous consentons à utiliser, autant que la chose est pratique, les services des fonctionnaires que peut nous offrir le gouvernement du Canada et que selon nous ont la compétence voulue pour nous aider dans cette tâche et nous entreprenons d'inculquer auxdits fonctionnaires les principes de la bonne organisation et de la systématisation.

Nous croyons que le comité projette pour cette tâche, ainsi qu'il appert au texte du décret ministériel C.P. 1238, une durée de pas moins de douze mois. De toute façon il est entendu que la présente convention ne peut prendre fin qu'après préavis écrit de soixante jours.

Advenant que nous ne jugeons pas pratique de maintenir à son plein effectif le personnel spécifié ci-dessus, pendant une partie d'un mois, soit vers le début soit vers la fin de notre service, la rémunération de notre personnel doit être tablée sur la proportion des heures de service consacrées à ce travail par les membres du personnel qui y sont affectés jusqu'à concurrence du nombre total d'heure stipulé comme le minimum qui nous donne droit au plein honoraire mensuel.

Bien à vous,

GRIFFENHAGEN & ASSOCIATES, LTD.,
Par.....*Président et directeur.*

MINISTÈRE DU COMMERCE, BUREAU DU MINISTRE, OTTAWA, le 16 juillet 1920.

A MM. Griffenhagen & Associates, Limited,
Bank Street Chambers, Ottawa.

MESSIEURS,—J'accuse réception de votre lettre du 16 juin par laquelle vous vous engagez à fournir, en qualité de spécialistes systématisateurs et d'experts en matière d'organisation, vos services professionnels pour la réorganisation de certains départements et autres domaines du service de l'Etat canadien.

Cette lettre fait un exposé exact de la nature des services que vous devez rendre et du détail de leur rémunération. Il est entendu qu'en ce qui concerne l'indemnité de subsistance de $5 par jour on devra exercer le plus grand soin pour qu'elle ne soit pas versée doublement à un même individu qui serait employé à deux endroits distincts.

An nom du comité chargé de voir à la réorganisation et au bon fonctionnement du service public j'accepte l'offre de vos services aux termes et conditions exposées dans votre lettre et j'autorise votre compagnie à commencer son travail.

Bien à vous,

GEORGE E. FOSTER.

BUREAU DE L'AUDITEUR, OTTAWA, 24 juillet 1920.

CHER MONSIEUR PAYNE,—Relativement à votre lettre du 21 courant contenant la copie d'une lettre de Griffenhagen et Associés, adressée au très honorable sir George Foster, président du sous-comité du Conseil, au sujet de la réorganisation et du bon fonctionnement du service public, et dans laquelle monsieur Griffenhagen énonce les conditions d'après lesquelles la compagnie convient "de fournir le service professionnel, en qualité de spécialistes systématiseurs et d'experts quant à l'organisation et au sys-

tème se rattachant à la réorganisation des ministères et autres domaines du service public du gouvernement du Canada, que votre comité pourra de temps à autre désigner", veuillez donc avoir l'obligeance de me dire quel ministère me fera parvenir les réclamatons de paiements pour le service de M. Griffenhagen. Les fonctionnaires du ministère qui sera chargé d'administrer les deniers affectés par le Parlement aux services en question seront en état, je suppose, de donner les certificats nécessaires quant au nombre d'hommes employés et aux heures et services pour chaque demande de paiement.

Bien à vous,

E. D. SUTHERLAND, *A.G.*

MINISTÈRE DU COMMERCE, OTTAWA, 26 juillet 1920.

CHER MONSIEUR SUTHERLAND,—En réponse à votre lettre du 24, relativement au crédit de $150,000, pour la réorganisation des ministères, à Ottawa, un arrêté en conseil assigne au ministère du Commerce la dépense de ce crédit.

Les comptes s'y rapportant seront donc approuvés et transmis par le comptable de ce ministère.

Bien à vous,

C. H. PAYNE, *secrétaire particulier.*

M. E. D. SUTHERLAND,
Auditeur général.

BUREAU DE L'AUDITEUR, OTTAWA, 31 juillet 1920.

MONSIEUR,—J'ai l'honneur d'accuser réception de votre demande du 29 juillet dernier pour l'émission de chèques, au montant de $485,48, soit le total des appointements de six commis temporaires pour le mois de juillet 1920.

Ces commis temporaires ont été employés en vertu d'un arrêté en conseil, en date du 31 mai 1920, autorisant l'engagement de Griffenhagen et associés, dans le but de réorganiser le service civil dans les ministères, d'après les lignes indiquées.

Les bordereaux de paie contenant les noms et les dates de la nomination des commis en question sont certifiés par un membre de la compagnie Griffenhagen et approuvés par C. H. Payne, qui signe en qualité de secrétaire. Il ne m'a pas été donné officiellement avis que M. Payne avait été autorisé à attester la dépense imputable sur le crédit n° 555 de la loi des subsides de l'exercice en cours, ni qu'il avait été formellement nommé secrétaire du comité du Conseil chargé de surveiller les travaux de Griffenhagen et associés.

Je ne puis naturellement admettre qu'un certificat, signé par un membre de la compagnie seulement sur des réclamations présentées par Griffenhagen et Associés, pour leurs services, entraînera la responsabilité ministérielle.

Le certificat exigé par la loi d'audition, dans les cas de toutes les réclamations suivies du paiement de deniers publics doit être fourni par un fonctionnaire responsable du ministère à qui il appartient d'administrer le crédit en question, et qui a personnellement connaissance des faits qu'il atteste.

Afin de ne pas retarder dans le moment le paiement des appointements demandés, et que je crois être dus justement, je certifie les bordereaux de paie qui m'ont été en-

voyés, mais j'espère que les points soulevés seront réglés d'une manière satisfaisante avant qu'il me soit demandé les paiements d'autres réclamations.

Je demeure, monsieur,

Votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

M. T. J. CODE,
Sous-ministre intérimaire du Commerce,
Ottawa.

MINISTÈRE DU COMMERCE, OTTAWA, 11 août 1920.

CHER MONSIEUR SUTHERLAND,—Les présentes attestent que monsieur C. H. Payne remplit les fonctions de secrétaire du sous-comité du Conseil relativement à la réorganisation et au bon fonctionnement du service civil, et qu'il est autorisé à certifier les bordereaux de paie des commis temporaires employés par MM. Griffenhagen et Associés, à responsabilité limitée, dans le travail qu'ils exécutent.

Bien à vous,

GEORGE E. FOSTER.

M. E. D. SUTHERLAND,
Auditeur général.

BUREAU DE L'AUDITEUR, OTTAWA, 7 août 1920.

CHER MONSIEUR,—J'aimerais à attirer votre attention sur une différence dans les conditions qui régissent l'emploi de Griffenhagen et Associés, à resp. lim., conditions spécifiées dans l'arrêté en conseil du 31 mai 1920, et celles contenues dans leur lettre, à notre adresse, en date du 16 juin, énonçant comment ils interprètent le marché que votre comité a conclu avec eux et que votre lettre du 16 juillet, en réponse, acceptait.

Le dernier paragraphe de la page 2 de l'arrêté en conseil, du 31 mai, déclarait que le personnel nécessaire pour l'exécution du programme projeté de réorganisation serait de onze personnes, dont sept experts principaux et quatre adjoints et continuait en leur assignant les différentes divisions du travail de réorganisation des ministères.

MM. Griffenhagen et Associés doivent recevoir pour ces services $10,000 par mois.

C'était là l'une des conditions, la principale, d'après laquelle le contrat devrait être légué, et il me semble que cette condition restreignait le nombre des employés et la somme à payer pour leurs services.

Dans la lettre de Griffenhagen et Associés du 16 juin, ces derniers, après avoir relaté la convention insérée dans l'arrêté en conseil, ajoutent: "Nous sommes tenus de fournir tout supplément de service et d'effecter à la tâche des membres du personnel en sus du nombre minimum, défini plus haut, à raison de quatre piastres ($4.00) de l'homme-heure plus le coût réel des déplacements et cinq piastres ($5.00) par jour d'indemnité de subsistance".

Il ne parait avoir été fait aucune restriction quant au nombre des membres du personnel que ces messieurs peuvent employer à ce taux de paiement.

Ne serait-il pas à propos de conclure un contrat, ainsi que le recommande l'arrêté en conseil du 31 mai, lequel définirait clairement les conditions d'après lesquelles les employés de MM. Griffenhagen doivent agir? Des questions que l'on ne prévoit pas

dans le moment se soulèveront probablement mais si tout est clairement bien entendu d'avance l'on évitera plus tard en ce faisant, des malentendus et des contestations.

J'ai l'honneur, d'être, monsieur,

Votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Sir GEORGE E. FOSTER, G.C.M.G.,
Ministre du Commerce,
Ottawa.

BUREAU DE L'AUDITEUR, OTTAWA, 9 février 1921.

A M. F. C. T. O'HARA,
Sous-ministre du Commerce, Ottawa.

MONSIEUR,—Relativement aux pièces justificatives qui m'ont été dernièrement transmises à l'appui des paiements sous l'autorité de votre lettre de crédit en faveur de Griffenhagen et Associés au cours de l'exercice pour services professionnels au sujet de l'organisation des ministères et autres domaines du service public du Canada, je remarque que le certificat exigé par la loi du Revenu consolidé et de l'audition, chapitre 24, article 45 des Statuts revisés du Canada, porte la signature du ministre du Commerce, en sa qualité de président du sous-comité de Conseil sur la réorganisation et le bon fonctionnement du service public.

D'après l'interprétation donnée à cet article de la loi, c'est mon avis que le ministre même en sa qualité de président d'un sous-comité du cabinet nommé par le gouverneur en conseil "pour surveiller et diriger la préparation du contrat et l'exécution du travail y stipulé", n'est pas un fonctionnaire au sens de la loi. Comme vous ne l'ignorez pas la loi prescrit que c'est le fonctionnaire chargé spécialement de voir à l'accomplissement du travail qui soit tenu responsable de l'exactitude du certificat.

Il a toujours été compris que ce fonctionnaire atteste, qu'à sa connaissance personnelle, le travail a été accompli de la manière y spécifiée, c'est-à-dire dans le cas actuel, que chaque employé de la compagnie Griffenhagen a travaillé le nombre d'heures que comporte la pièce justificative, qu'il a contrôlé la chose chaque jour pendant la période couverte par le compte. Il est présupposé aussi qu'il connaît personnellement les mêmes détails dans le cas de voyage et des autres dépenses.

C'est à peine possible que le président du sous-comité puisse connaître personnellement ces choses, et je présume que son certificat indique simplement qu'il approuve d'une façon générale la réclamation de la compagnie.

Dans une lettre en date du 26 juillet 1920, M. Payne, le secrétaire particulier du ministre, m'informait qu'un arrêté en conseil assignait au ministère du Commerce l'administration du crédit pour la réorganisation des ministères. Je suppose donc qu'il a été en même temps prévu aux certificats nécessaires qu'exige la loi.

Vous m'obligerez en me disant si le travail de la compagnie Griffenhagen a été accompli sous la direction personnelle d'un fonctionnaire de votre ministère, afin que je lui renvoie les pièces justificatives pour obtenir son certificat.

Je demeure, monsieur,

Votre obéissant serviteur,

E. D. SUTHERLAND. *A.G.*

BUREAU DE L'AUDITEUR, OTTAWA, 3 mai 1921.

A M. F. C. T. O'HARA,
Sous-ministre du Commerce,
Ottawa.

MONSIEUR,—J'ai l'honneur d'attirer votre attention sur ma lettre du 9 février dernier relativement au certificat à inscrire sur les comptes de Griffenhagen et Associés pour services professionnels "au sujet de l'organisation des ministères et des autres domaines du service public du Canada."

Je n'ai pas reçu de réponse à cette lettre jusqu'à ce jour et comme la convention avec MM. Griffenhagen a pris fin le ou vers le 4 avril dernier, il me ferait plaisir de savoir si la surveillance du travail accompli a été faite de façon à ce qu'un fonctionnaire de votre ministère puisse attester les comptes en la forme prescrite par la Loi du Revenu consolidé et de l'Audition.

Je demeure, monsieur,

Votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

MINISTÈRE DU COMMERCE, OTTAWA, 18 mai 1921.

M. E. D. SUTHERLAND,
Auditeur général,
Ottawa.

CHER MONSIEUR,—En réponse à votre lettre du 3 mai, je dois dire qu'on a reçu votre lettre du 9 février ayant trait à la signature de sir George Foster sur le certificat des travaux accomplis par Griffenhagen et Associés.

Dans chaque cas le ministre s'est efforcé de se convaincre par lui-même que la réclamation pour travaux exécutés était juste et exacte. Si, comme vous dites, l'interprétation de la loi ne permet pas de le considérer un fonctionnaire, autorisé par conséquent à signer le certificat, la seule solution possible alors me paraît être que je contresigne moi-même les certificats, car si le ministre est convaincu et me convainc du bien fondé des réclamations l'objection faite disparaît.

Puis-je vous faire remarquer qu'il est obsolument impossible de donner la garantie définie que la réclamation pour travail accompli a été rendue exactement. Lorsque des fonctionnaires travaillent dans plusieurs différents ministères et dans les divisions extérieures de ces ministères, la seule manière absolue de les contrôler serait de les placer sous le contrôle d'un fonctionnaire de l'Etat qui agirait en qualité de pointeur. La chose paraît impraticable. La même question s'est soulevée lors du travail accompli pour la Commission du service civil par Arthur Young & Cie. On a jugé impossible de contrôler la liste des heures de travail de chaque homme, mais quand ce contrôle a pu s'exercer il a vérifié l'exactitude des comptes présentés. La compagnie pour ses propres fins a besoin de se convaincre que les comptes de voyages sont exacts, et si le ministre s'en rapporte à la déclaration de la compagnie à ce sujet, cela semble fournir la garantie nécessaire

Si vous pouvez m'indiquer une manière plus praticable de contrôler le travail professionnel d'hommes ainsi employés, il me fera plaisir de me rendre à votre désir.

Bien à vous,

F. C. T. O'HARA, *sous-ministre.*

BUREAU DE L'AUDITEUR, OTTAWA, 13 juin 1921.

A M. F. C. T. O'HARA,
Sous-ministre du Commerce,
Ottawa.

CHER MONSIEUR,—Comme votre lettre du 18 mai 1921 le suggérait, je vous renvoie sous ce pli les pièces justificatives à l'appui des paiements faits à Griffenhagen et Associés pour services au sujet de la réorganisation et du bon fonctionnement du service public, dans le cours de l'exercice clos le 31 mars 1921, afin que vous puissiez signer le certificat quant aux services rendus et aux prix payés exigé par la Loi du Revenu consolidé et de l'audition.

Vous m'obligeriez en me retournant les pièces justificatives dès que vous le pourrez commodément.

Bien à vous,

E. D. SUTHERLAND, *A.G.*
